

diakriton
Collection of Cretan Life

The DiakritonCollection covers a total area of 10,000 m², located just 6 km from the archaeological site of Knossos and 3 km from Archanes

In the outdoor area, in addition to the unique view, various aromatic plants and trees will introduce you to Cretan flora. You can also see a windmill for grinding wheat and drawing water, a watermill for grinding wheat, kilns for lime, charcoal, and pottery, as well as a carved winepress, wells, and handcrafted laundries.
